---

Impress your sweetheart with the deluxe pergola or keep it cosy with the teepee package, each one comes with a delicious picnic for you to enjoy. You choose the location - perhaps your favourite beach or your cottage garden? We can even discuss special indoors set-ups for the winter months.

Keeping it a surprise? No problem, just whisk your loved one away for an hour or so to let us set up.

The Pergola (2 hours 30 minutes) - from £180

For a picnic experience straight out of paradise, the deluxe pergola package is a no brainer. Sit underneath a luxury free-standing pergola with a bespoke picnic complete with dessert platter and champagne. Cosy up around the ready made fire pit and relax whilst you listen to music and indulge in your chosen picnic food. The Pergola offers the ultimate al fresco dining experience and is a favourite amongst those planning a romantic proposal.

Picnic Teepee (1 hour 30 minutes) - from £140

Suitable for two people, the teepee is smaller in size allowing for more snug and cosy experience. Included is a snack platter and dessert, plus a choice of Prosecco or Wine. To cater for larger parties, we can set up four or five of these teepees (space allowing) and centre them around a fire pit - ideal for say a sophisticated hen celebration or special birthday.

With each bespoke picnic, you can choose from a whole host of extras to personalise your experience just the way you want. Add on a personalised sign, flower displays, a live musician or opt for the media package with professional digital photographs and video.

We can even tweak the picnic menu to include your favourite chocolates for instance. If you would like to add on extra time, extra guests or make the night a little simpler with a taxi service then just let us know.

To add any of these to your stay or for more information, please call a member of our Concierge Team on 01437 772 758.
